Please fill in if no Patient Label available

Your treating doctor has asked us to perform a:

Left Right Not Applicable *(hospital to circle, as appropriate)*

_____

(hospital to insert procedure name)

Your treating doctor has decided that the benefits you might get from this procedure are far more important than the risks.

Although very unlikely, the possible risks and complications include:

- Bleeding
- Infection
- Skin changes
- Allergy
- Weakness or numbness
- Variable or incomplete pain relief
- Dural puncture / headache / cerebrospinal fluid leak (rare)
- Temporary worsening of symptoms

Please complete this section and **bring this form in with you** on the day of your procedure:

I understand the proposed procedure and acknowledge the risks of the procedure.
I understand that I will have the opportunity to discuss and clarify any concerns or questions with the doctor on the day of the procedure.

Patient to complete
